

Mat, Floor, Blast Mitigating

by US Youth Sports

US Youth Sports offers custom impact/blast mitigation products for retrofitting into almost any armored vehicle, with the focus on increased crew survivability. Our blast mats have passed USMC blast testing for the MRAP series of vehicles, "With USYS SPD you can walk away from a blast."

Tibia Force Lft High load case 85mm Travel in 6ms

Durable? Tough enough to drive on while providing the protection you need.
